CHAPTER 1 - GETTING STARTED

Welcome to Salon Manager for the iPad! Salon Manager for the iPad is the best solution to manager your business using the amazing iPad technology. SalonTechnologies would like to thank you for purchasing their app. Many years of experience and knowledge have been put into this application. The CEO of SalonTechnologies has a patent for his Hair Color Formulating Software which is also part of this App. Visit us at: www.salontechnologies.com and register yourself as a Salon Manager Customer!

For The Quick Starter

The best way to learn to use SALON MANAGER is follow these simple rules in order:

1. Review Backing Up & Restoring prior to entering any data. Also, be sure that you have downloaded the latest version of this software for best performance.
2. Go to Main Menu → Settings and complete ALL these options. Remember, you only do this ONE time!
3. Go to Main Menu → Services and enter ALL your Salon Services
4. Go to Main Menu → Operators and enter minimally their names. If you have the information it is also a good time to enter their Services and Operator Pricing.
5. Go to Main Menu → Add your Products; at least by Product Name and Cost
6. At this time, you are ready for business minimally. You can schedule appointments and add Clients as your add the appointments. It is recommended to enter one week at a time of each Operator's scheduled appointments. As you enter appointments, your Client Base will build automatically. For the most benefits from this App are received when you setup this App to handle your Inventory, Finances, Scheduling and Reporting Needs. Enjoy!

Backing Up & Restoring

Because Salon Manager is an Apple Device, we at SalonTechnologies highly recommend that you consult with an Apple professional about backing up your app and all the information you enter into the app.

For Apple Support options, please go to: <http://www.apple.com/support/ipad/>

Starting Salon Manager

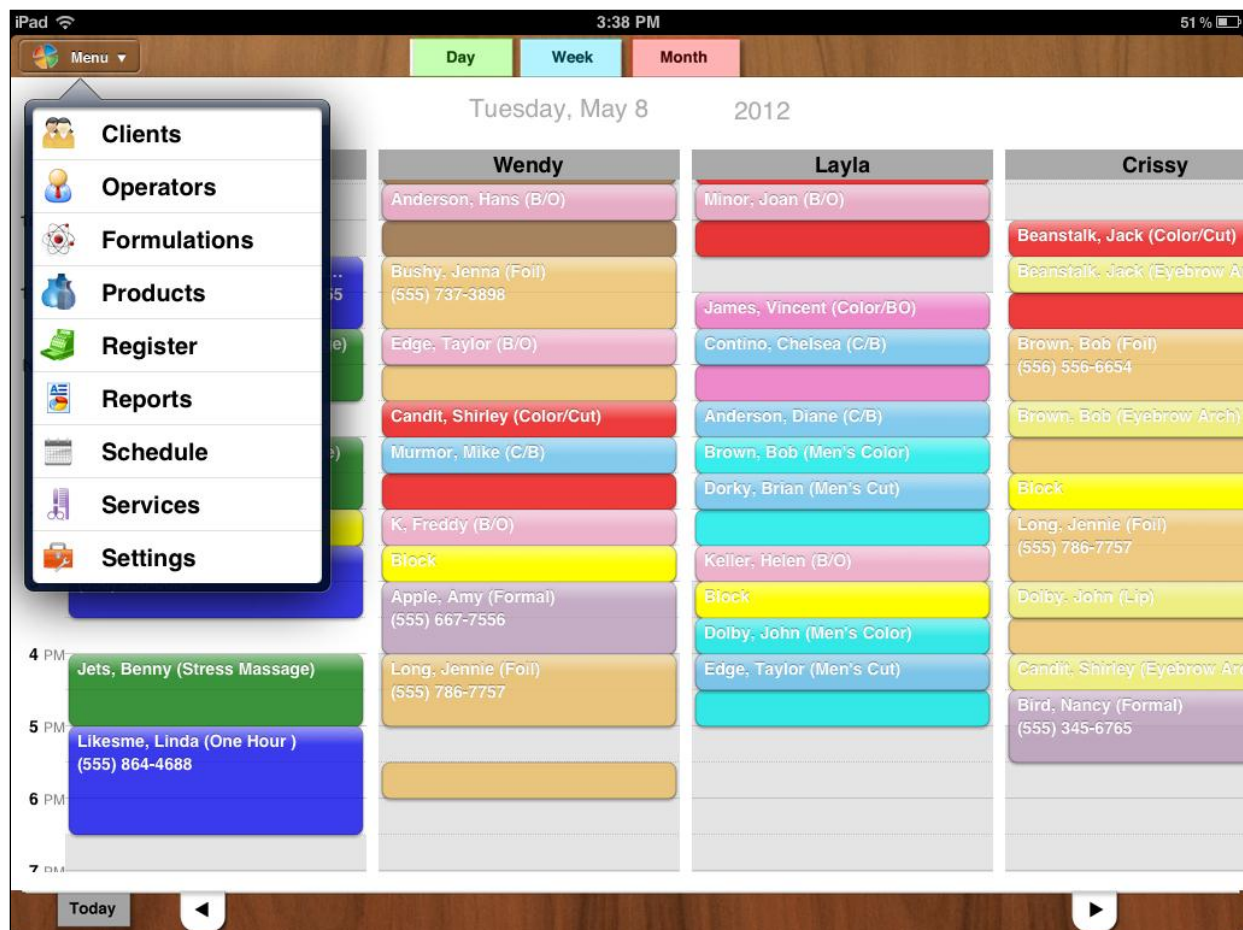

After purchasing **SALON MANAGER** from the iTunes App Store, the icon below will appear on your iPad. Touch this icon to begin using Salon Manager

To open SALON MANAGER on your iPad locate and select the icon shown above.

Salon Manager Main Menu

Touch the icon  to access the main menu in salon manager at anytime as shown below:

Support

From the **Salon Manager Main Menu**, select **Settings Menu**; then, select **About & Support** from the Settings options displayed.

How to Contact Support

The Contact Support button is used to notify us with any problems with your SALON MANAGER app. Notification is directly to our excellent Support Department. This menu also displays the version of the SALON MANAGER application that you are using. This information is **CRITICAL** to provide to SalonTechnologies when contacting our Support Department. Also, please indicate the Version Number of your app as displayed on the Salon Manager Support Screen.

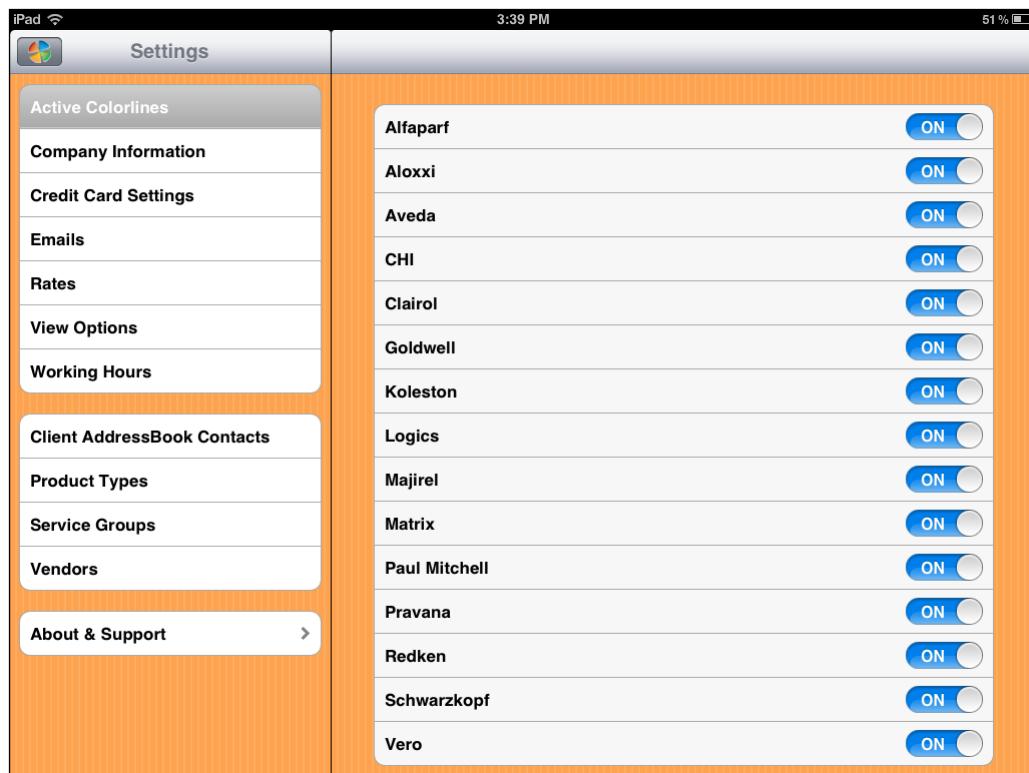

Registering As A Salon Manager Customer

Also displayed on this screen is a button to transfer to the SalonTechnologies Website. In order to serve you better when you contact us, please take the time to register yourself as a Salon Manager customer. By registering as a SALON MANAGER customer, you will have the ability to receive special offers from SalonTechnologies, Inc.

CHAPTER 2 - SETTINGS

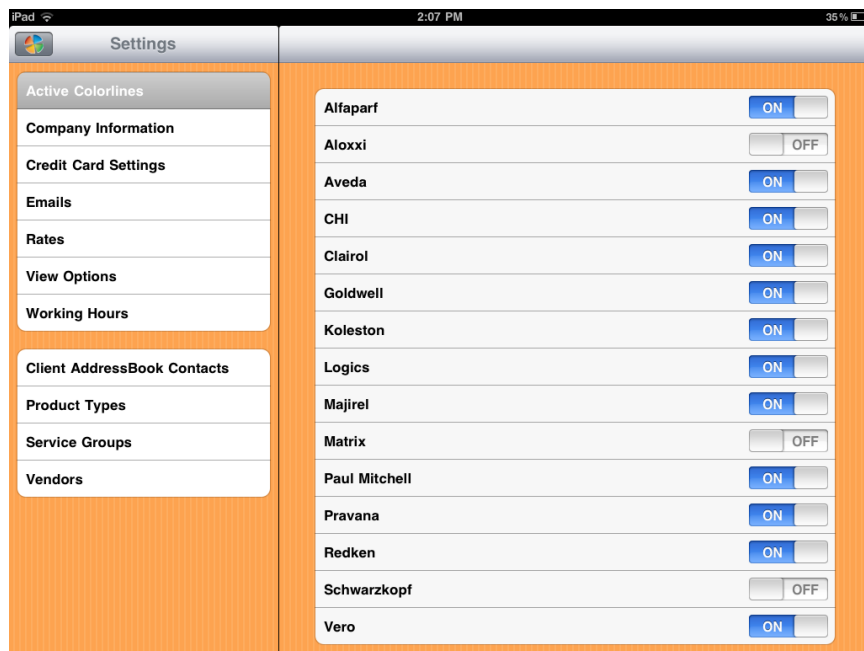

The SETTINGS module of SALON MANAGER allows you to customize the app according to your personal business. The following modules are part of the Settings Menu access from the Main Menu

- Active Colorlines
- Your Business Information
- Credit Card Settings (*optional*)
- Emails sent by Salon Manager
- Commission Rates and Sales Tax Rates
- Viewing Options
- Operator Working hours & Working days
- Customer Address Book Contacts retrieval tool
- Product Types
- Service Groups
- Vendors
- About & Support

Color Lines

The **Color Lines** screen will display after selecting **Active Colorlines** from the **Settings** Screen. The Colorlines section allows you to choose the specific companies whose color lines you use on your clients.

You may select one or more Colorlines as needed by touching OFF. When Color Line is selected, it will appear with the ON switch.

Company Information

The Company Info Screen will display after selecting Company Information from the Settings screen. Always touch **SAVE** after making any changes on this screen. This information will be used to create your Receipts and Report Headings.

SALON INFORMATION	
Owner	Owner of Salon
Company Name	Name of Your Salon
Address 1 & 2	Street Address of Salon
City	Your City
State	Your State Abbreviation
Phone	Your Phone Number
Fax	Your Fax Number
Email	Your Salon's Email Address used for sending Reports to.

Credit Card Settings *(Optional)*

The settings screen for Credit Card Processing will display after selecting **Credit Card Settings** from the **Settings** main screen. This option is used to enter the necessary information for your credit card payment gateway. Before using this option, please read **Chapter 10** about processing Credit Cards. **You must apply online with NetPay or Authorize.Net to access the Credit Card Gateway.**

NetPay is the preferred Vendor because there are NO SETUP FEES.

CREDITS CARD PROCESSING GATEWAY INFORMATION

API Login	Provided by NetPay or Authorize.Net

Gateway Sends Receipt	<p>Optionally, you may have NetPay or Authorize.Net send receipts to your customer via their email address. Turn either ON or OFF by touching the Gateway Sends Receipts button.</p> <p>Note: The receipt will only show the charged amount, and not the products or services purchased.</p>

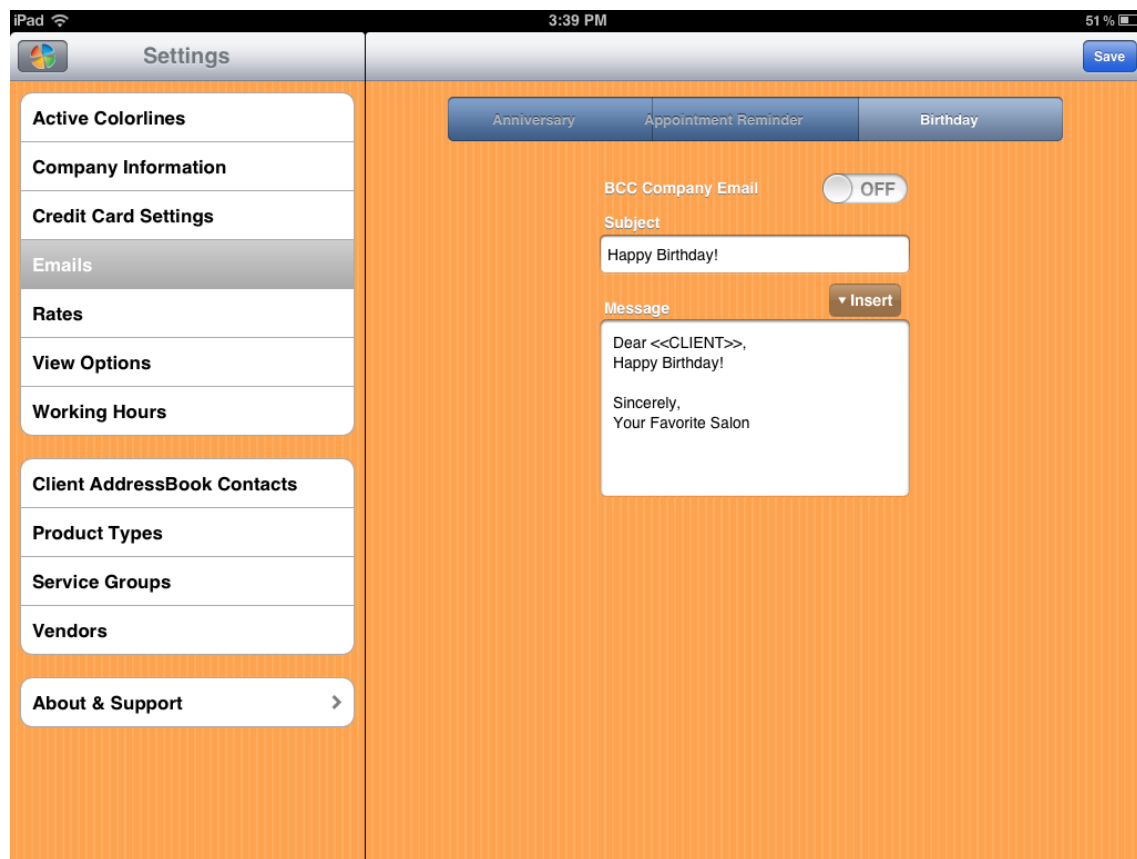

Emails: Emailing Reminders

The Email option in Settings is used to setup or change the standard emails that are sent to your Clients for Anniversaries, Appointment Reminders and Birthdays.

The CLIENTS module is used to send the email messages, but SETTINGS is used to do the initial setup of each email message.

SALON MANAGER maintains these three standard email formats. The Email Screen allows you to choose which email standard message you would like to edit or change. On all email standard formats, you may use the following fields to customize your own message if you would like:

- <<CLIENT>>
- <<SERVICE>>
- <<APPT-DATE>>
- <<APPT-TIME>>
- <<ANNIVERSARY>>
- <<BIRTHDATE>>

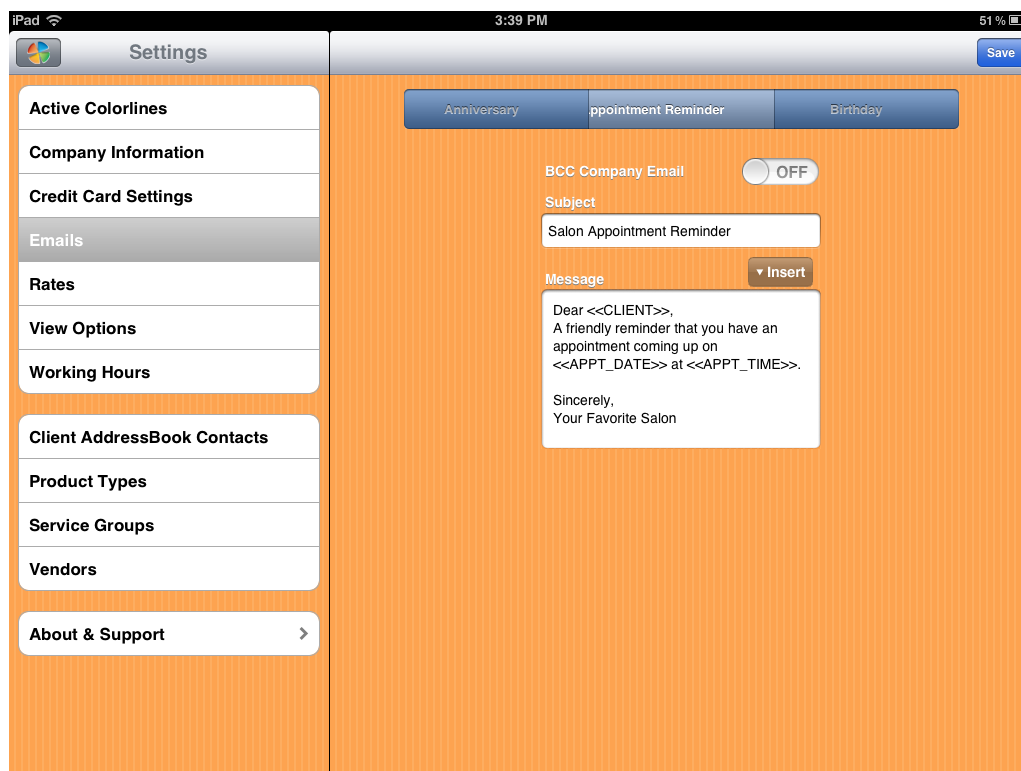

Use the bar displayed below to toggle between anniversary, appointment & birthday reminders:

How To Email Anniversary Reminders

The Anniversary Standard Email can be accessed by selecting the Anniversary Button. The space <<CLIENT>> is used as a placement holder for your data. When you send out Anniversary emails, the Clients name is automatically inserted into the email where noted.

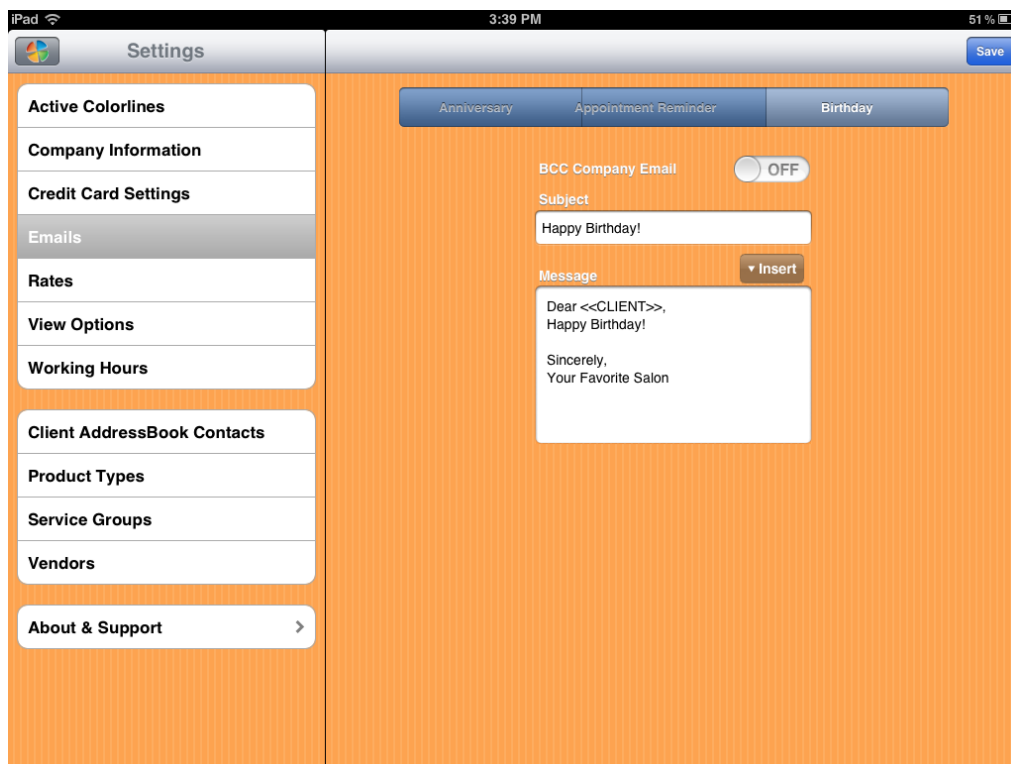

You may change this email message as often as you wish or customize it for your business. Simply touch area of email to edit

How To Email Birthdays Reminders

The Birthday standard email message is below. The space <<CLIENT>> is used as a placement holder for your data. When you send out Birthday emails, the Clients name is automatically inserted into the email where noted.

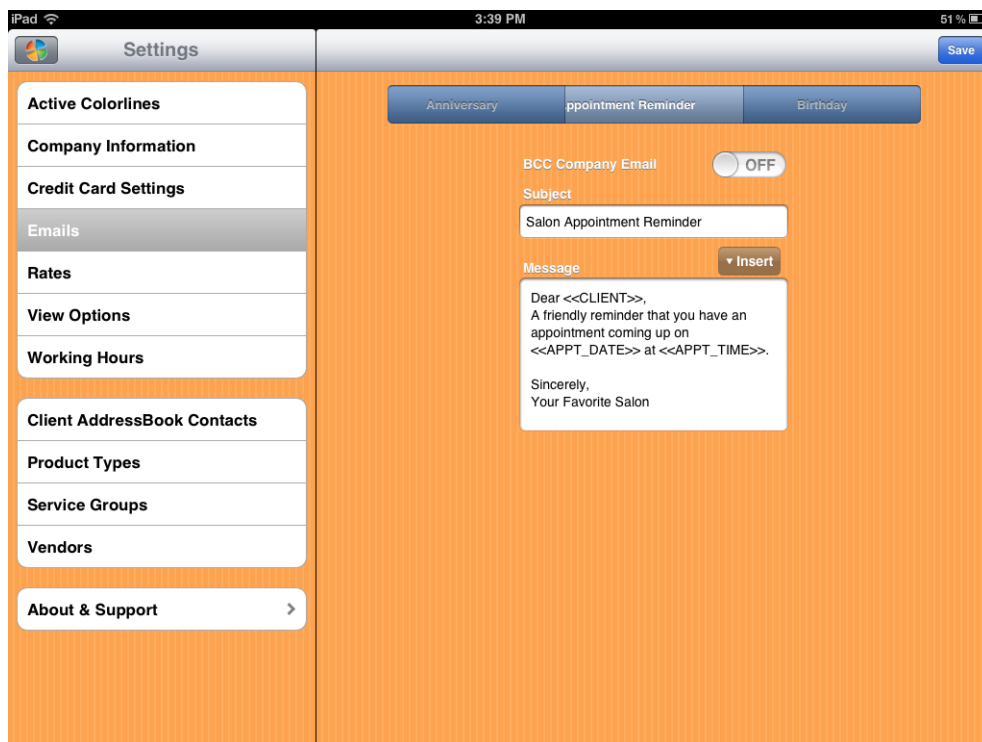

You may change this email message as often as you wish or customize it for your business. Simply touch area of email to edit and type away. If you accidentally remove <<CLIENT>>, you can re-insert it by using the INSERT button.

How To Email Appointment Reminders

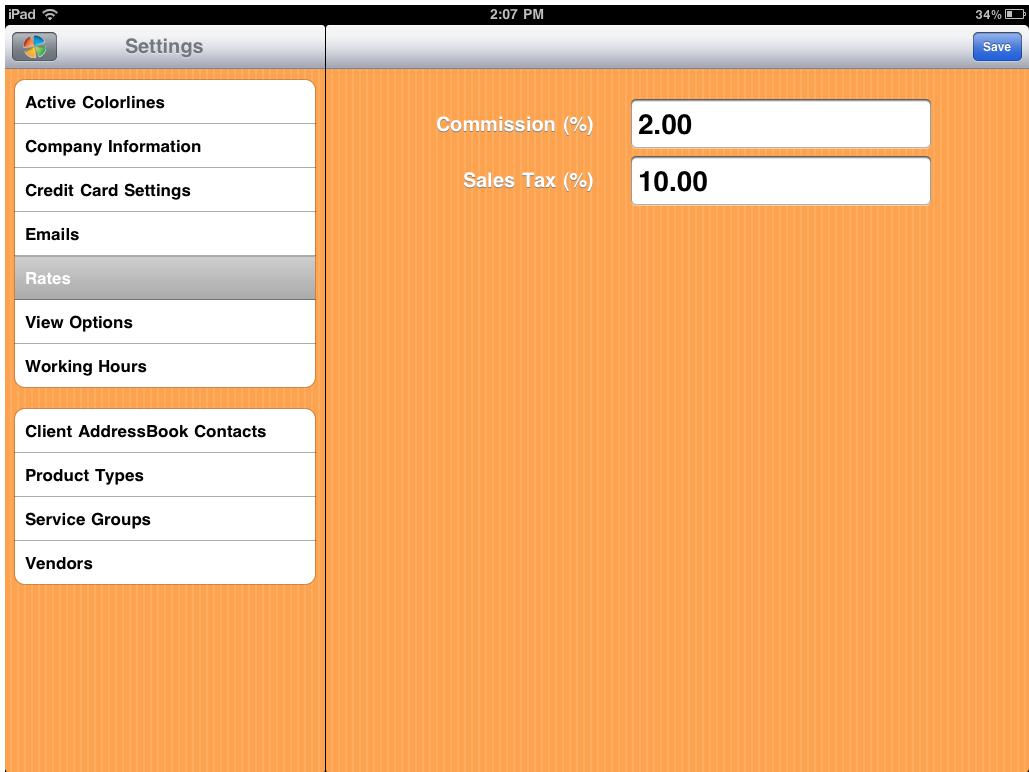

The Appointment Reminders standard email message is below. The space <<CLIENT>> is used as a placement holder for your data. When you send out Birthday emails, the Clients name is automatically inserted into the email where noted.

You may change this email message as often as you wish or customize it for your business. Simply touch area of email to edit and type away. If you accidentally remove <<CLIENT>>, you can re-insert it by using the INSERT button.

Rates

The Rates screen will display after selecting **Rates** from the **Company Info** screen.

RATES	
Commission (%)	The commission rate indicates the percentage of sales to be considered income. The commission rate is utilized in the reports section of SALON MANAGER.
Sales Tax (%)	Indicate the percentage of sales tax to charge on taxable Products/Services

Note: Commission & Sales Tax Rates are optional

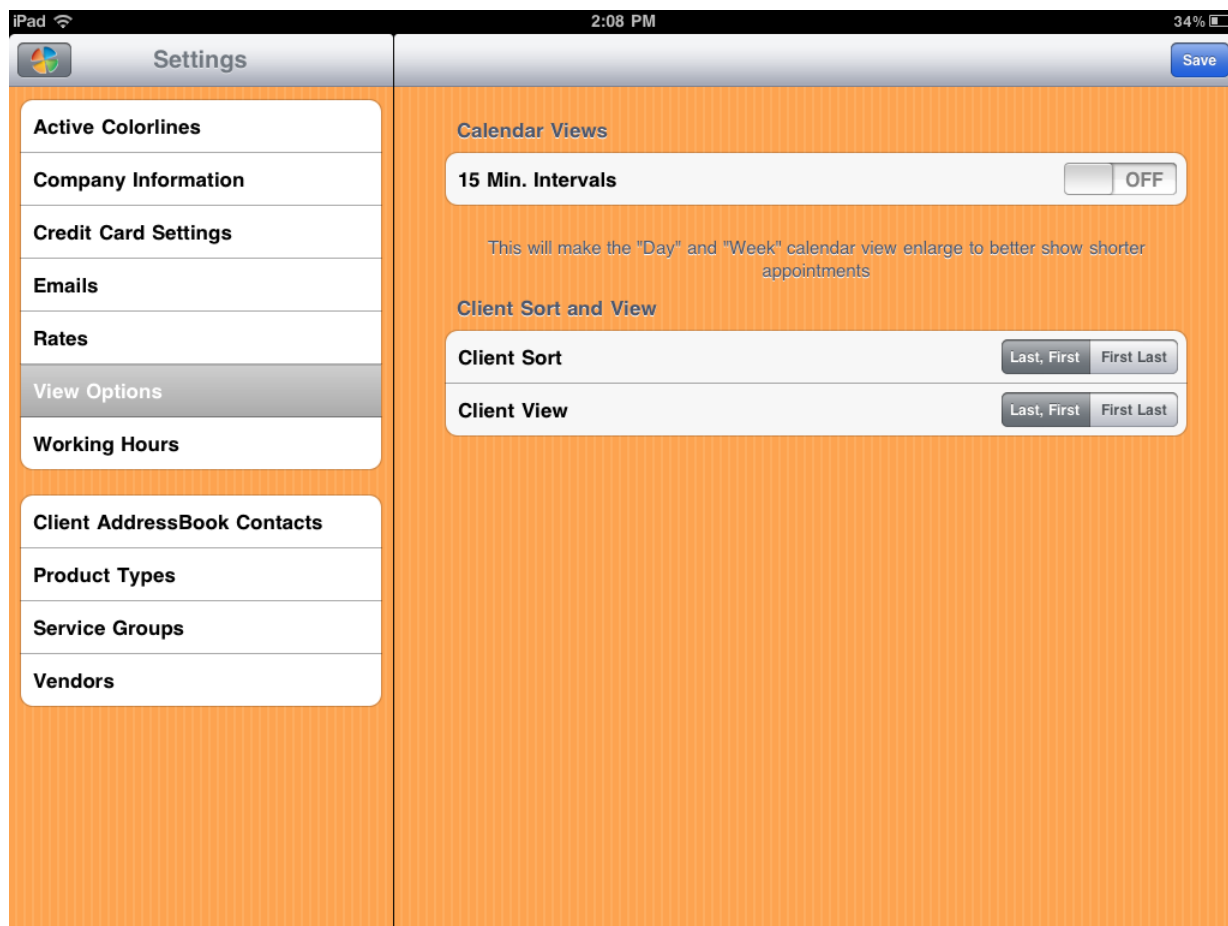

View Options

The View Options screen allows you to decide how your schedule will look.

The first option here is Calendar Views. Your Calendar can display in 30 minute intervals or 15 minute intervals. To have 15 minute intervals, touch OFF to ON.

Also, you can display how you want your Clients names to appear in the Client module. You have the choice to sort by Last Name, First Name or First Name, Last Name.

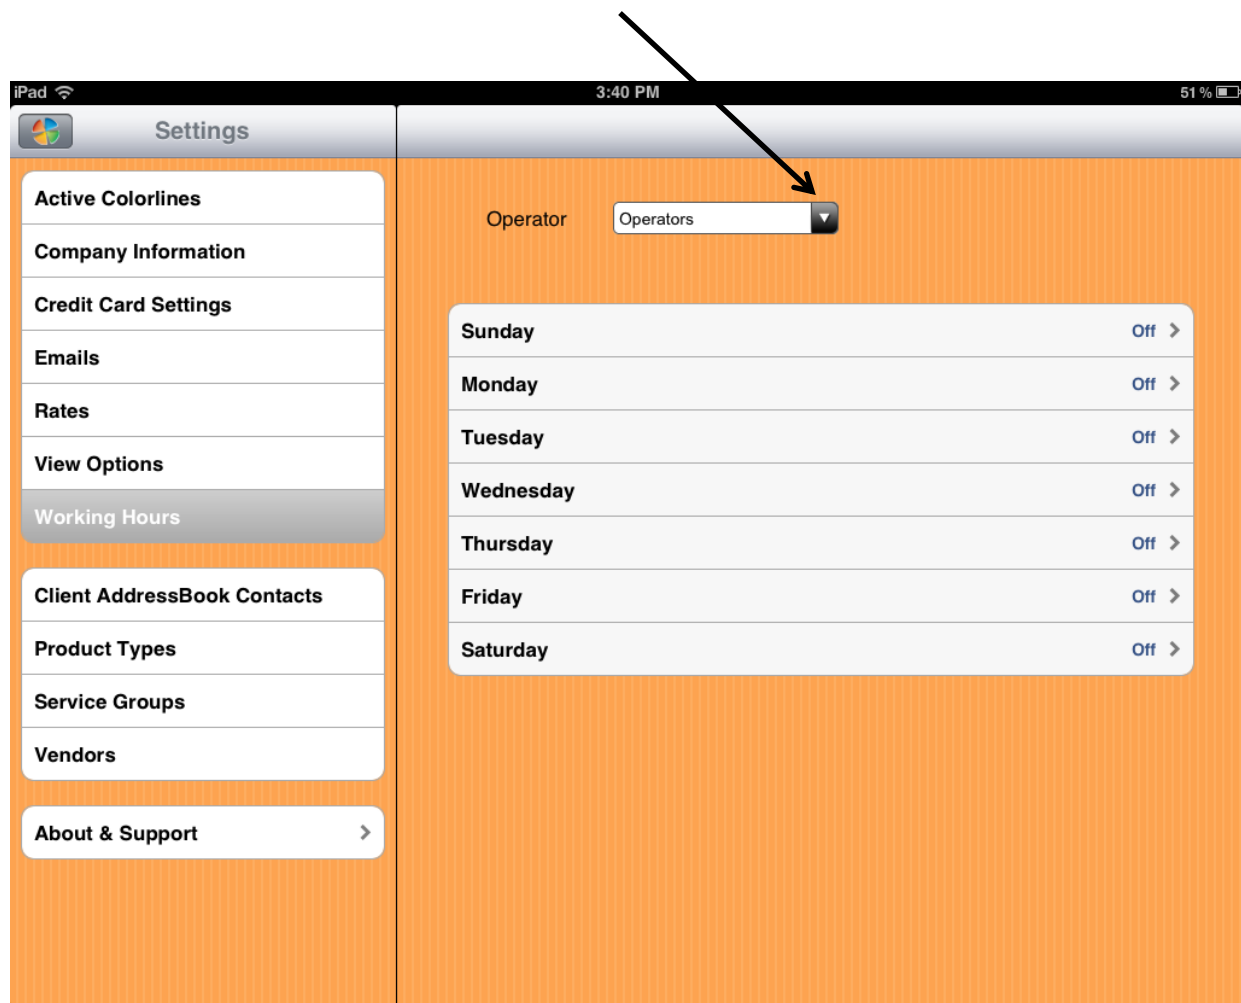

You may also choose how to view Clients. You may view clients by Last Name, First Name or First Name/Last Name.

Working Hours

The Working Hours screen is used to indicate each Operators hours of availability. This information is then translated into each Operators schedule. Knowing another Operators availability allows others to book appointments for them while they are busy with a customer.

To switch between different Operators, use the drop down menu as displayed.

IMPORTANT!

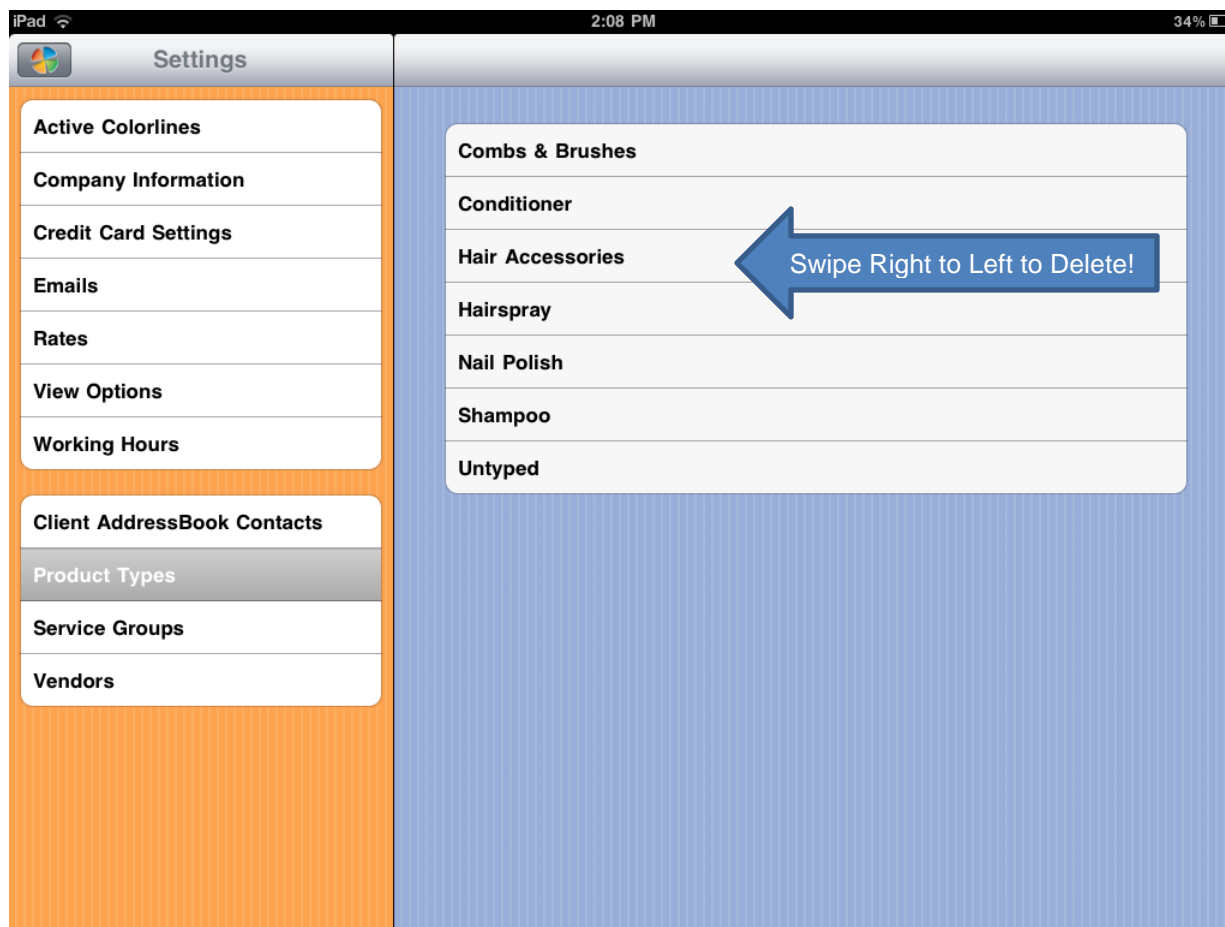

You must enter your Operators BEFORE setting their hours!! Go to the Main Menu and select Operators to enter Operators for your business.

Product Types

Product Types displays all your classifications of Products by Product Type. Product Types are **automatically created** when entering a Product from Products displayed on the Main Menu. You may only delete Service Groups from this screen.

To DELETE a Service Group → SWIPE from right to left at the very end of the Service Group.

At that time, a RED DELETE Button will display. Simply touch Delete Button:

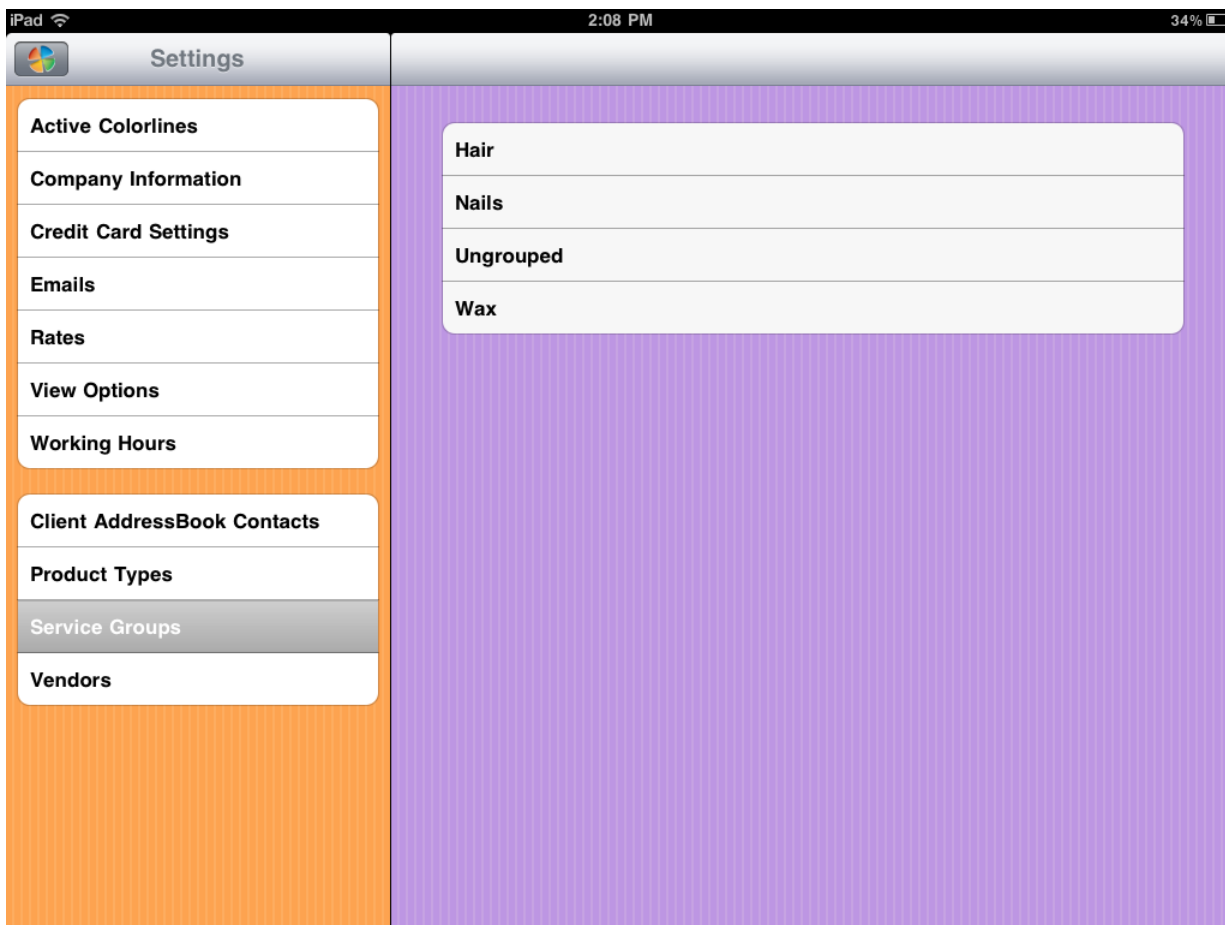

Service Groups

Service Groups displays all your classifications of Services by Service Groups. Service Groups are **automatically created** when entering a Service from Services Menu displayed on the Main Menu. You may only delete Service Groups from this screen.

To DELETE a Service Group → SWIPE from right to left at the very end of the Service Group.

At that time, a RED DELETE Button will display. Simply touch Delete Button:

Vendors

Optionally, you may enter Vendors for the Products that you sell in your business. We recommend that you enter Vendors for all your Products for reporting purposes.

To ADD a Vendor → click on **+** from the screen below:

The screenshot shows the iPad interface for the 'Vendors' section. At the top, the status bar indicates 'iPad', signal strength, '3:45 PM', and 'Not Charging'. Below the status bar, there is a navigation bar with a 'Settings' button, the title 'Vendors', a '+' button, and an 'Edit' button. The main area is divided into two columns. The left column contains a list of vendors: 'Beauty, Inc' with contact 'Mary March', and 'Styling Solutions' with contact 'Susie Smiles'. Below these are several empty rows. The right column contains a form for adding a new vendor. The form has a blue background and white input fields. The fields are: 'Name' (with 'Styling Solutions' entered), 'Contact' (with 'Susie Smiles' entered), 'Address', 'City, ST', 'Phone', 'Fax', and 'Email'.

After you hit the + sign, the following screen will display. We encourage you to enter as much information as you can for Reporting Purposes.
